

INVITATION TO 2026 UK ISRA Championship

Corby (National Slot Car Centre)

Date: Saturday August 29th to Sunday August 30th
Location: National Slot Car Centre, Unit 1, Wansell Road, Corby, NN17 5LX, UK
Organiser: BSCRA

The BSCRA warmly invite you to the **2026 UK ISRA Championship**, taking place at the very popular National Slot Car Centre on the BSCRA Mega Monsta track. This the same track that was used for the 2019 ISRA World Championships. It is fast and flowing, easy to drive, but provides a great challenge as you move to the outside lanes. There is plenty of pit space and the event will not only be one of the most competitive UK races of the whole year, it will also be held in a relaxed style, with possibly only one night in a hotel required and one late(ish) night planned. There is no racing on the Monday to allow all competitors to travel home in a timely manner and reduce accommodation costs. It has been a few years since we last had some competition from outside of the UK to challenge the best the UK has to offer on their home track, so are you up for the challenge?

We certainly hope so.
Thank you, BSCRA
